16 REVIEW STAFFING LEVELS, RECRUITMENT EFFORTS AND ROUTES

Driver staffing is still short, and routes are barely covered. Two employees are out on personal medical leaves of 4-8 weeks. One driver has resigned.

Currently both dispatchers are driving routes daily. CEO dispatches in the morning and afternoon and occasionally drives. CEO continuing to train new drivers, however, at a slower pace.

One trainee has completed required training awaits CHP testing in late November. Two have tested with CHP and have begun working and learning routes.

The Board may discuss additional incentives or other action to address staffing concerns.

17 POTENTIAL NEW JPA MEMBER

Mid-Placer and Foresthill Union School District have discussed the operational steps that would be needed to integrate services.

Minimum days are not coordinated between PUHSD and FUSD. The impact is that Confluence to Foresthill will need to be released early two days per week. SPED needs still need to be analyzed.

Staffing continues to be a concern. The Board shall consider if now is the time to begin drafting an amendment to the JPA to add a member.
